# The Venue

*Welcome to Fitzleroi Barns. We are a family run wedding venue set amongst beautiful rolling farmland in the heart of West Sussex. Our magnificent Main Barn has stood proudly on the farm for over 400 years and in that time has had many agricultural uses but is now exclusively available to you, to celebrate the biggest day of your life!*

## **Planning your Day**

You will no doubt have lots of wonderful ideas on how you would like your dream wedding to look. We give you the whole of the day before, to bring all of your ideas to life. Giving you peace of mind knowing that everything is ready for the day ahead, and hopefully a good nights sleep.

Julia and Lucy are always on hand should you need any help and advice during your set up day and you can rest assured that you will have a dedicated member of the Fitzleroi team to look after you throughout your wedding day.

## **After your Wedding**

Our relaxed approach and one wedding per weekend policy, means neither you, your suppliers, family or friends need to rush about on the morning following your wedding day.

You will be met by Lucy the day after your wedding between **10am** and **2pm** to have a good catch up on all the fun from the day before and to ensure that you have all your personal belongings, wedding cake, flowers etc.

***We understand how important every detail of your wedding is to you, so we do not rush you in and we do not rush you out.***

# The Ceremony

We are licensed to hold Civil Ceremonies and we have two beautiful ceremony rooms;

- The main barn which can seat up to **120 people**
- The long room which can seat up to **75 people**.

The choice of various settings for your ceremony provides plenty of flexibility within the venue to hold your drinks reception . This can be essential with the unpredictable British weather.

We do not charge extra for ceremonies, however there is a Registrar's fee. This fee should be paid direct to *The West Sussex Registration Service, Ceremonies Team* when booking.

All we ask, is that ceremonies start from 2pm onwards.

# *The Courtyard*

The huge open courtyard is the perfect place to host your reception drinks and has many stunning areas to hold your group photographs. You are very welcome to close the wrought iron gates to keep any little guests contained, and there is plenty of space should you choose to erect a marquee.

Tables, chairs, parasols, outside sofas and coffee tables are all included in the hire of the barn.

If the weather allows, Caterers can also set up your Reception Drinks Bar in the Courtyard, where guests can mill about and soak up the atmosphere, before being seated in the barn for the Wedding Breakfast, or enjoying the evening's entertainment.

There is also ample space and hard-standing should you choose to have a Hog Roast or Barbecue.

# *The Landscape*

Fitzleroi Farm sits in some of the most beautiful farm land that West Sussex has to offer. It has panoramic views of the South downs and its unspoilt open farm land provides the perfect stage for the most incredible sunsets.

You and your photographer will not struggle to find the perfect spot to capture the best day of your life.

The quiet country lanes surrounding Fitzleroi Farm have also proved to be popular with photographers and couples alike. Nearby woodlands bursting with wildlife and beautiful bluebells in late Spring/Early Summer, are just a stones throw away.

# Caterers

Although we don't have an in-house caterer, we **do** require you to use one from our selected list of experienced Wedding Caterers below.

We have taken time to carefully select a handful of highly recommended, local caterers for you to choose from. Giving you plenty of choice and peace of mind, to suit all budgets and culinary tastes.

We regularly assess performance and keep in close contact with our trusted caterers, all of whom will be very happy to chat through menu ideas and arrange a mutual time for tastings!
